Friends of the Umatilla Public Library, Inc. is a 501(c)(3) non-profit organization that supports the Umatilla Public Library though its volunteer and fundraising efforts. As such, in order to continue the library programs, we need support from both individuals and community businesses.

Recently completed projects include the cleaning of the library's carpets, along with having the community meeting room repainted. Upcoming projects include repainting the children's rooms, replacing old bookcases, and providing new chairs for the children's area.

In addition, we are seeking donations to support the *Every Child Ready to Read* program. This program helps prepare children, while also providing parent and caregiver workshops. Your aid also supports adult and teen programs offered by the library.

We recently purchased a donor tree, which is displayed on a wall in our library.
Donor names are notated on individual leaves.

Donor levels are as follows:

Platinum	$5,000+
Gold	$2,500 - $4,999
Silver	$1,000 - $2,499
Bronze	$250 - $999

Should you decide to support our initiatives, please make your donation to:
